## 2009 Model 333 Helicopter Standard Equipment

---

### Standard Equipment

(Included in the aircraft basic licensed empty weight)

#### Airframe & Control Systems

Three-bladed, fully articulated, upgraded main rotor system & rotor blades  
Elastomeric main & tail rotor dampers  
Dual flight controls, left-hand P.I.C.  
Collective friction control  
Cyclic friction control  
Electric cyclic trim, two axis  
External avionics access  
High stance landing gear with tube step

Heavy duty landing gear skid shoes  
Booted oleo landing gear dampers  
Fuselage jack/lift fittings  
Tie down/inlet cover kit  
Exterior Glasurit urethane paint  
Ground handling wheel brackets  
Offset anti-torque pedals

#### Powerplant, Systems & Instruments

Rolls-Royce 250-C20W engine  
73 gallon fuel tank, crash resistant  
Fuel shut-off valve  
Engine wash kit  
Airspeed indicator  
Magnetic compass  
Dual window altimeter  
N<sub>1</sub> tachometer  
Dual engine/rotor tachometer  
Fuel quantity indicator  
Fuel filter (external)  
Engine torquemeter  
Engine oil temperature indicator  
Turbine outlet temperature indicator  
Engine oil pressure indicator  
Engine oil reflective sight gage

Electric digital OAT  
Engine inlet anti-ice system  
Electric clock  
Beeper actuator/trim servo  
N<sub>2</sub> droop compensator  
Starter/generator cooling  
Kamatics KA<sub>FLEX</sub> drive adapter  
Oil filter with by-pass  
Pitot/ static system, unheated  
Running time (Hobbs) meter  
Continuous ignition, pilot activated  
Annunciator warning panel (low fuel, fuel filter by-pass, main rotor gearbox oil temperature/pressure, engine chip, generator our, engine fire, engine voltmeter/ ammeter by-pass, main rotor gearbox oil temperature/ pressure gage, tail gearbox chip, external power)

#### Electrical System

Sealed lead acid battery  
150 amp starter/generator  
Switchable hot mic intercom  
Circuit breaker protection  
Essential/non-essential bus  
External A.P.U. plug  
Accessory plug

Instrument panel lights  
Fixed landing light  
Strobe/nav light package  
Pilot map light  
Master avionics switch  
Cyclic mounted radio frequency scrolling switch\*

\*Not available with cargo hook - optional grip available

#### Cabin Accessories

Adjustable ventilation system  
Clear cabin door windows  
Circular air scoop vents on doors  
Tinted canopy windows  
Triple latch doors with key locks

Floor carpet  
Publications & map storage  
Four-point inertia reel restraint system  
Four-place interior: cushioned seats with headrests  
Lap belts & shoulder harnesses

NOTE: Manufacturer reserves the right to modify this configuration by substituting comparable or better equipment.
