

Sikorsky Global Helicopters

A Sikorsky Company

2010 Model S-300Cbi Helicopter Standard Equipment

Standard Equipment

(Included in the aircraft basic licensed empty weight)

Airframe and Control Systems

All white Glasurit urethane paint
Booted oleo landing gear dampers
Collective friction control
Cyclic friction control
Dual controls, left-hand P.I.C.
Elastomeric main rotor dampers
Electric cyclic trim, two axis
Extra heavy duty skid shoes
Fuselage jack/lift fittings

Ground handling wheel brackets
Offset anti-torque pedals
Standard single latch doors
Tail rotor elastomeric teeter bearings
Three-bladed, fully articulated main rotor
Three piece chin skin with integral side fairing
Tie down kit
Tubular skid-type landing gear
STAR System: (start-up overspeed limiter, automatic rotor engagement, low rotor RPM warning system) - *Schweizer Aircraft Proprietary*

Powerplant, Systems and Instruments

32.5 gallon fuel tank
Airspeed indicator- *United Instruments*
Altimeter- *United Instruments Gauges*
Ammeter- *Rochester Gauges*
Cushioned left and right magneto drives
Cylinder head temperature indicator-*Rochester Gauges*
Dual engine/rotor tachometer-*Consolidated Instruments*
Engine oil pressure indicator- *Rochester Gauges*
Engine oil temperature indicator- *Rochester Gauges*
Fuel pressure indicator- *Rochester Gauges*
Fuel Shut-off valve

Full flow oil filter, remotely mounted
Low fuel warning light
Low voltage warning light
Lycoming HIO-360-G1A engine
Oil cooler winterization kit
Oil filler/dipstick
Outside air temperature gauge- *Rochester Gauges*
Manifold pressure gauge-*United Instruments*
M/R transmission oil temp/pressure warning light
Running time (Hobbs) meter, panel mounted- *Stewart Warner*
T/R transmission chip detector warning light
Upstack exhaust collection

Electrical System

70 amp alternator
ACK A-30 blind encoder- *ACK Technologies*
Cabin accessory plug
Circuit breaker protection
Cyclic mounted radio frequency scrolling switch*,**
GTX 320 transponder
KY96A comm transceiver
Lead acid battery- *Gill Batteries*
70 amp alternator

Light weight, high-torque starter
Modular electrical harness
Mounting brackets for GPS and NAV antenna
Night lights with strobe beacons
Switchable hot mic intercom system*
Vertical card compass

*Requires purchase of communication transceiver

**Not available with cargo hook - optional grip available

Cabin Accessories

Adjustable ventilation system
Clear cabin door windows
Circular air scoop vents on doors
Tinted canopy windows
Glove box

Three-seat cushioned interior
Floor/cabin carpet
Lap belts and shoulder harnesses
Single latch doors

NOTE: Manufacturer reserves the right to modify this configuration by substituting comparable or better equipment.
